NOTES

1. These particulars are produced in good faith, are set out as a general guide only and do not constitute any part of a contract. No responsibility can be accepted for any expenses incurred by intending purchasers or lessees in inspecting properties which have been sold, let or withdrawn. Interested parties should rely on their own/their surveyors investigations as to the construction type of the property and its condition. No warranty can be given for any of the services or equipment at the property. Any distances and measurements which are given are approximate only. Any plans are indicative only and may not be the same as the transfer plan/s. No guarantee can be given that any planning permissions or listed building contents or building regulations have been applied for or approved. The agents have not been made aware of any covenants or restrictions that may impact the property, unless stated otherwise.
2. Under Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 we, as Estate Agents, are required to obtain identification from buyers in the form of the photo page of your passport or a photo driving licence. The document must be in date. In addition, we need proof of address in the form of a utility bill with the name and address of the buyer. This must not be more than three months old. We are also under obligation to check where the purchase funds are coming from. When you register to bid you will be prompted to provide the appropriate money laundering documentation.
3. In the unlikely situation of our client considering an offer prior to auction, a premium price would have to be put forward and the purchaser would be required to sign the contract and put down a 10% deposit and pay the Buyers Administration Charge, well in advance of the auction date. An offer will not be considered unless a potential buyer has read the legal pack and is in a position to immediately sign the contract. The seller is under no obligation to accept such an offer. It should be noted that Clarke and Simpson cannot keep all interested parties updated and at times will be instructed to accept an offer and exchange contracts without going back to any other parties first.
4. Additional fees: Buyers Administration Charge - **£900 including VAT (see Buying Guide)**. Disbursements - please see the Legal Pack for any disbursements listed that may become payable by the purchaser upon completion.
5. The guide price is an indication of the sellers minimum expectations. This is not necessarily the figure that the property will sell for and may change at any time prior to the auction. The property will be offered subject to a reserve (a figure below which the auctioneer cannot sell the property during the auction) which we will expect to be set within the guide range of no more than 10% above a single figure guide.
